INFANT BAPTISM

The sacrament of baptism, through the sacred means of water and the word, is a sign and seal of the new covenant in Jesus Christ, whereby God cleanses our sin and welcomes us into the family of God. When parents bring their child for baptism, the emphasis is not on our response, but on what God has already graciously done for us through Jesus Christ. God has already provided the means of salvation and nurture within the community of faith, with the hope that one day the child may acknowledge his or her acceptance of new life in Christ. Through water and the word, the child is indelibly marked with the sign of the covenant, conveying a new identity to the baptized in the name of the Triune God—Father, Son, and Holy Spirit.
